## Arrival by train

Göttingen is the station for ICE trains, where you will find in every case an comfortable stop. Send us an E-mail or call us to organize a shuttle by car for you. It will take 30 minutes to go by shuttle to our hotel.

## Arrival by car

When you come **from the south and north**: The easiest way is to go by car over the motorway A7 in the direction for Nörten-Hardenberg. Then you leave the motorway at the exit Nörten-Hardenberg. Drive in the direction to Uslar 19 km. At the exit Schlarpe (after 15 km) you follow the street to the small village. 1 km after this village you can see our Hotel. You turn left at the signboard of the hotel before the railunderpass.

If you travel **from the west direction** over the motorway A44, exit Warburg in the direction Beverungen and than drive further in the direction of Uslar. Drive straight through Uslar in the direction of Northeim. 8 km after Uslar you will arrive at Volpriehausen. Turn right at the traffic light and follow the signboard from our Hotel.

**From the east direction** you use the railway A38 in direction to the A7. At the motorway interchange Drammetal you turn on the A7 in direction Hannover. Then you leave the motorway at the exit Nörten-Hardenberg. Drive in the direction to Uslar 19 km. At the exit Schlarpe (after 15 km) you follow the street to the small village. 1 km after this village you can turn left to our hotel.
